To Whom it May Concern:

It is my pleasure to recommend Zsófia Cságoly for employment with your company. Zsófia worked with us on the farm during the spring and summer of 2019. She took care of our 1350 egg laying hens and did deliveries to our restaurant costumers in Copenhagen. She also took care of our egg sorting and packing, moved fences and hens to fresh pasture 3 times a week, did strimming and other maintenance and farm work.

Zsófia is a very bright and helpful co-worker. She has a great attitude and I was always confident with her work. Zsófia is very careful in what she does. She also reflects on daily task and bring her suggestions to improvement to the table.

Other skills to mention are her linguistic talent. She speaks several languages.

I recommend Zsofia without reservation. I am very confident that she will be a great addition to your team. Please let me know if you will need additional information about this skilled woman.

Best Regards
